ABOUT ME

I am a dedicated and enthusiastic Full Stack Developer currently pursuing a Bachelor of Technology (B.Tech) in [Your Specialization]. With a strong foundation in web development using the MERN stack (MongoDB, Express.js, React.js, Node.js), I have hands-on experience in creating dynamic and responsive web applications. Alongside my studies, I have completed internships and worked on various projects, focusing on both frontend and backend development. I am passionate about learning new technologies and constantly improving my skills to build efficient and user-friendly solutions. I enjoy solving complex problems and thrive in collaborative environments, always looking for new challenges to grow professionally.
